

## Public Review of a Proposed Bridge Project on Red Oak Road

Red Oak Road Bridge Replacement Project, Franklin County  
Bridge No. 20000081 over Clates Creek  
Section 1, T41N, R4W of 5th PM  
Lat. N 38.32975, Long. W 91.3244

The Franklin County Highway Department, as part of the Franklin County Bridge Replacement Program, is planning replacement of a deficient bridge (2000008) on Red Oak Road over Clates Creek. Preliminary plans are being prepared and construction is expected to start in 2025 or 2026.

The proposed roadway alignment will stay the same as the existing alignment, and the new structure will be located at the same location as the existing structure. The project activities will include, but not necessarily be limited to: Removal of the existing bridge, excavations, pile driving, new bridge construction, placement of rock blanket, construction of roadway embankments and new approach roadway surfacing. Additional Right-of-Way may be needed but has not yet been determined.

Comments will be received until November 1, 2024. Written comments may be sent to Franklin County at the following address:

Franklin County Highway Department  
400 East Locust Street, Room 003A  
Union, MO 63084
